Larry Gelwix, "FOREVER STRONG – In the Gospel"
February 18, 2016

Willow Creek Stake Relief Society hosted a dinner and invited Larry Gelwix, the subject of the movie "FOREVER STRONG," to speak. Gelwix was named "Winningest coach in America" in 2008. He had a 418/70 record during his thirty plus years as a rugby coach. He was also the subject of a 2012 documentary entitled, "No Regrets." During his years as Highland High's rugby coach Gelwix had more than 200 rugby players every year and the school employed fifteen assistant coaches to help. His teams practiced 4:00-6:00 p.m. for five nights a week. He fielded players from every denomination -- Catholics, Jews, Lutherans, Presbyterians and Mormons. His teams had prayer before every game and he encouraged all his players to be the best they could be, both on and off the field.

Elder Gelwix was released as President of the California Fresno Mission in July, 2015 and currently serves as CEO of Columbus Travel. He said the question most frequently asked by young missionaries is, "How can I recognize the Holy Ghost in my life?" He answered by reading D & C 8:2-3 to them: "I will tell you in your mind and in your heart, by the Holy Ghost . . . [what you should do]" He said the Lord promises inspiration to all those who follow this counsel. He went on to give the sisters examples from his recent mission. Gelwix explained that the room was full of radio waves and one must focus and tune in to receive answers. "You may hear a voice in your mind. It may come as a feeling, an idea or as inspiration." He referenced Elder Bednar's online talk entitled, "Patterns of Light: Spirit of Revelation:"
