May 1 2016 – Our annual "Welcome to Relief Society" for the Graduating seniors (Laurel's) of the stake. We, along with the Stake Young Women Leaders picked up all the graduating Laurel's in our Stake and drove them over to the Young Single Adult ward where we all attended the 3 hour block. During the Sunday School block we all met with Bishop Smart, who introduced some of the Young Single Adult leaders and members. After we all attended Relief Society we gathered for a light lunch and gave them the book, "Daughter's in my Kingdom" as well as the "Holy Temple"

June 16 2016 – Stake Leadership training. We had open discussion with Ward Relief Society President's on how understanding Christ's Atonement can help each individual Sister in our Ward's face life's challenges. Light refreshments were served.

July 28 2016 – Girls Camp. We as a Presidency drove up to camp and delivered and served the Young Women and leaders sloppy joes, chips, watermelon and cookies.

August 11 2016 – We met with newly called Single Adult Ward Relief Society Presidencies at the Stake center. The Single Adult Ward has 3 Presidencies. Julie Slaugh spoke briefly about "Succoring the weak" and the "Joy of Sisterhood." We all sang "As Sisters of Zion." We, as a Presidency each took a few minutes to explain our roles and duties.

September 24 2016 – General Women's Conference .

October 8-9 2016 – Stake Conference. Prior to the Saturday night session of conference we served dinner to our Stake Presidency and visiting authorities in the Stake Relief Society Room. We served two different soups, salads, breadsticks, and dessert.

November 30 2016 – We had our annual appreciation dinner for our Ward Presidents at Olive Garden at Fashion Place. It was fun to visit with all the Presidents and get to know them better. We love our Presidents and appreciate their love and support for us and for all the sisters in their Wards.

December 1 2016 – We served approximately 120 Senior Missionary Couples in the South Salt Lake Mission a Christmas dinner of ham, funeral potatoes, cooked carrots, salad, rolls, and brownies (topped with ice cream, chocolate sauce, and peppermint sprinkles.) Each of our Ward Presidents helped coordinate food assignments from their wards to put this together. It was a great feeling to serve these wonderful Missionary couples.
